Old Business:

SIU Concessions- 4 games have been paid out. Average of \$850 a game, breaks down to \$11 an hour for working. Totally worth working games to build up your childs band account. The kids did an awesome job on the Winter Concert 2015. Kringles have come and went, hopefully those have all been delivered. Sold 185, making \$2204.00 to divide among those who sold them. The balance sheet is up to date, please check your childs balance. Pep game/8th grade night went A LOT better than the last one.

New Business:

*Trivia Night scheduled for January 23, 2016, doors open at 5:30, trivia starts at 6:30. Cost is \$80/table or \$10 a person. Being held at 17th Street Warehouse. We are being joined by Crimson. As of the meeting there are only 4 tables left.

*Last SIU basketball concession Febuary 27th, report time TBA. We need at least 5 adults and 5 MMS students to make these go smoothly. We are looking into getting the High School tournaments in March, as soon as we get dates and times we will let you know.

*Candy bar sales: starting this one in February before Valentine's Day, this was an easy fundraiser also.

*Crimson Express Dinner & Dance in being held in March, more details to come. This is an easy sale for 8th graders. They can sell tickets to get in and it will go into their Crimson accounts.

Directors Report:

*Solo & Ensemble will be at Unity Point School this year. It is Feb 27 & 28, 2016 with most solos on the 28th. Music has been passed out, and an email has been sent out for piano players, although you may provide your own. A list will be passed out as we get closer with your performance time. You must provide your own ride and meet up with Ms. Kearney in the cafeteria to get the original music. Please be there an 45min to an hour early. If your piano player is there and your ready to go, you don't have to wait for your solo time. Please have your 1st rehearsal scheduled with your piano player the 1st 2 weeks of February, then schedule your 2nd the week of the competition.

*Jan 28th is group picture day. Boys in white top, black bottoms, girls in all black. Wear to school. Jazz is at 8:10, with full band at 8:20

*January 26th pep band game. Report time will be 6:15, volleyball games will be talked about after dates have been given.

*Organization contest-April 8-9 at Carbondale Middle School, that may be moved due to Crimson spring trip. If it is on for that weekend, we will meet at MMS band room, load the bus, go over perform awesomely and come back. More details to come.
